DO NOT REMOVE THIS TAG.
IT CONTAINS IMPORTANT SAFETY INFORMATION.

SLEEP

⚠️ WARNING

TO PREVENT SERIOUS INJURY OR DEATH

- Only use pillow for nursing or feeding baby.
- Do not use pillow for infant propping, tummy time or sitting.
- Adult use only.
- Do not leave baby unattended.
- Only use product while seated.
- If strap is not in use, remove it and place away from baby.

POSSIBLE SUFFOCATION HAZARD

- To prevent suffocation do not put any pillow in a crib, cradle, bassinet, playpen, play yard or near an area where an infant may sleep.
- Make sure baby's airway is clear at all times during nursing.

Care Instructions:

Foam Insert: Remove foam insert before washing pillow. Hand wash foam cover with mild soap and water if stained. Dry flat.

Machine wash pillow separately, delicate cycle.

30° C/85° F. Do not bleach. Tumble dry low.

While drying pillow, throw a sneaker or tennis ball (wrapped in a pillow case) in the dryer to help the pillow keep its shape. Do not iron.

Do not dry clean.
