

Newborn Lounger Upholstered Care Label

DO NOT REMOVE THIS TAG.
IT CONTAINS IMPORTANT SAFETY INFORMATION.

SLEEP

WARNING

TO PREVENT SERIOUS INJURY OR DEATH

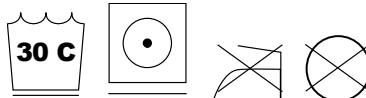

- Do not leave baby unattended.
- Adult supervision is required.
- Improper use of this product could result in serious injury or death.

POSSIBLE SUFFOCATION HAZARD

- This product is appropriate for infants up to a maximum of 16 pounds, or until the child can push up on hands and knees or roll over on his own accord (whichever comes first).
- Never allow baby to sleep on the Boppy® Newborn Lounger.
- Do not use for Tummy Time.
- Do not allow baby to lie face down or on side on the Newborn Lounger.

POSSIBLE POSITIONAL ASPHYXIA HAZARD

- Keep baby's airway open at all times.
- For proper breathing when using the pillow for propping, do not allow baby to be curled up in the center of the pillow area or be propped up too high on the pillow.
- Do not use in crib, cradle, bassinet, playpen, play yard, bed or on any elevated surface.
- Use only on floor.
- Never move Newborn Lounger while baby is on it.

For best results using front load washing machines use Hand Wash cycle, 30°C/85°F. For top load, machine wash, delicate cycle, 30°C/85°F. Tumble dry low on delicate cycle. [While drying pillow, throw a sneaker or tennis ball \(wrapped in a pillow case\) in the dryer to help the pillow keep its shape.](#) Do not iron. Do not dry clean. For quick clean up, may be wiped clean.
